CSD's license grant (and, with that grant, Your right to Install and use the Software and User Documentation) is conditioned on Your continuous compliance with all license limitations, restrictions and other terms in this Agreement. If You violate any of these limitations, restrictions or other terms, the license grant will automatically and immediately terminate. The license descriptions in this Section 2 (Software License) define the scope of rights that CSD grants to You. Any usage of the Software or User Documentation outside the scope of the applicable license grant or otherwise not in accordance with this Agreement constitutes an infringement of CSD's intellectual property rights as well as a material breach of this Agreement. No license is granted under the terms of this Agreement to Excluded Materials (if any). No license is granted under the terms of this Agreement if You did not lawfully acquire the Software from CSD or from a third party who has been permitted or authorized by CSD either directly or indirectly to supply the Software.

2.2 License Parameters. CSD's license grant is subject to one or more of the License Parameters defined in this Section 2.2 (License Parameters) as specified in the User Documentation. Unless CSD expressly specifies in the User Documentation or otherwise agrees in writing, all Software shall be governed solely by the license for Stand-alone (Individual) Versions set forth in Section 2.2.1 (Stand-alone (Individual) Version).

2.2.1 Stand-alone (Individual) Version. If CSD identifies the Software as a "Stand-alone Version" or as an "Individual Version" or if the User Documentation does not identify the Software by any of the version designations set forth in Sections 2.2.2 (Multiseat Stand-alone) through 2.2.6 (Evaluation Version), You may Install and Access one (1) copy of the Software on one (1) individual Computer, solely for Your internal business needs. You may not allow the Software to be Accessed, operated, or viewed from, or Installed or uploaded to, other Computers through a network connection. Except as otherwise explicitly permitted by CSD, You may not Install or Access the Software other than on one (1) Computer at a time.

2.2.2 Multiseat Stand-alone Version. If CSD identifies the Software as a "Multiseat Stand-alone Version", You may Install and Access the Permitted Number of copies of the Software on the Permitted Number of individual Computers, solely for Your internal business needs. You may not allow the Software to be Accessed, operated or viewed from, or Installed or uploaded to, other Computers through a network connection. Except as otherwise explicitly permitted by CSD, You may not Install or Access the Software other than on the Permitted Number of Computers at any one time,

2.2.3 Network Version. If CSD identifies the Software as a "Network Version" in the applicable User Documentation, You may Install and Access one (1) copy of the Software on Your file server Computer, for Your own internal business needs, using the CSD License Manager tool (if any). The Software may be Installed on or Accessed by other Computers, or on an individual Computer, as a multiple-user installation, so long as the maximum number of concurrent users does not exceed the Permitted Number.

2.2.4 Educational Institutional Version. If CSD identifies the Software as an "Educational Institutional Version" in the applicable User Documentation, You may Install and Access copies of the Software on up to the Permitted Number of Computers, only for educational instructional purposes (as further specified in the applicable User Documentation) and for no other purpose. Without limiting the foregoing, Educational Institutional Versions of the Software may not be used for commercial, professional, commercial training or other for-profit purposes. Additionally, functional limitations may apply, as set forth in Section 6 (Warnings).

2.2.5 Student Version and Personal Learning Edition. If CSD identifies the Software as a "Student Version" or "Personal Learning Edition" in the applicable User Documentation, You may Install and Access copies of the Software on up to the Permitted Number of Computers, only for personal learning purposes, and no other purpose. Unless otherwise provided by CSD in the User Documentation, Student Versions and Personal Learning Editions of the Software may be used for a period of one (1) year from the date You first Install the Software. Without limiting the foregoing, Student Versions and Personal Learning Editions of the Software may not be used for commercial, professional or other for-profit purposes and functional limitations may apply, as set forth in Section 6 (Warnings). Additionally, Student Versions may only be used by faculty, staff members and students at qualified educational institutions. For purposes of this Section, a student means a person who is, at the time of Installation of the Student Version, enrolled at a recognized educational institution for (i) three (3) or more credit hours in a degree-granting educational program; or (ii) a nine-month or longer certificate program. Use of the Software beyond the applicable license term, or any attempt to defeat the time-control disabling function in the Software is an unauthorized use and constitutes a material breach of this Agreement and a violation of intellectual property law.

2.3 Upgrades. If CSD labels the Software in the User Documentation as an upgrade or update (“New Version”) to software previously licensed to You (“Previous Version”), the license grant with respect to the Previous Version terminates after Installation of the New Version. If You have purchased CSD Subscription, the obligations in this Section may not apply to You during the term of the CSD Subscription Agreement.

## 9. GENERAL

9.1. No Assignment; Insolvency. You may not assign this Agreement or any rights hereunder (whether by purchase of stock or assets, merger, change of control, operation of law, or otherwise), and any purported assignment by You shall be void. CSD may, in its sole and absolute discretion, terminate the Agreement and the licenses granted hereunder if You become insolvent or make an arrangement with Your creditors to CSD's detriment. The Agreement and the licenses granted hereunder shall automatically terminate without further notice or action by CSD if You go into liquidation. In the context of any bankruptcy proceeding, You acknowledge and agree that this Agreement is and shall be treated as an executor contract and may not be assigned without CSD's prior written consent, which may be withheld in CSD's sole and absolute discretion.

9.2. Choice of Law. This Agreement and any disputes arising out of or in connection with this Agreement shall be governed by the laws of the UK without reference to conflict-of-laws principles and excluding the UN Convention on Contracts for the International Sale of Goods.

9.3. Entire Agreement. This Agreement and the applicable User Documentation constitute the entire agreement between us and supersede any other previous or contemporaneous communications, agreements, representations, warranties or advertising with respect to the Software and User Documentation. Any modifications to this Agreement shall be invalid, unless made in writing and signed by a duly authorized representative of CSD.

9.4. Severability. If and to the extent any provision of this Agreement is held illegal, invalid, or unenforceable in whole or in part under applicable law, such provision or such portion thereof shall be ineffective as to the jurisdiction in which it is illegal, invalid, or unenforceable to the extent of its illegality, invalidity, or unenforceability and shall be deemed modified to the extent necessary to conform to applicable law so as to give the maximum effect to the intent of the parties. The illegality, invalidity, or unenforceability of such provision in that jurisdiction shall not in any way affect the legality, validity, or enforceability of such provision in any other jurisdiction or affect the legality, validity or enforceability of any other provision of this Agreement.

9.5. No Waiver. No term or provision hereof will be considered waived, and no breach excused, unless such waiver is in writing signed on behalf of the party against whom the waiver is asserted. No waiver (whether express or implied) will constitute a consent to, waiver of, or excuse of any other, different, or subsequent breach.

9.6. Audits. To ensure compliance with this Agreement, You agree that upon reasonable notice, CSD or CSD's authorized representative shall have the right to inspect and audit Your Installation, Access, and use of the CSD Materials. Any such inspection or audit may be conducted electronically, either by CSD or by representatives authorized by CSD for this purpose. If such inspections or audits disclose that You have Installed, Accessed, or permitted Access to the CSD Materials in a manner that is not permitted under this Agreement, then (i) You are liable to pay for any unpaid license fees as well as the reasonable costs of the audit; and (ii) without limitation of Section 2.1 (License Grant), and unless CSD otherwise elects in writing, the license grant with respect to the Software will terminate immediately. Any information obtained by CSD or CSD's authorized representative during the course of such inspection and audit will be used and disclosed by CSD solely for purposes of such inspection and audit and for enforcement of CSD's rights under this Agreement and applicable law, unless other uses or disclosures are required under applicable law. Nothing in this Section shall be deemed to limit any legal or equitable remedies available to CSD for violation of this Agreement or applicable law.

9.7. Language. The English language version of this Agreement is legally binding in case of any inconsistencies between the English version and any translations.

9.8. Construction. Ambiguities in this Agreement will not be construed against the drafter.
